Description of wares to be marketed:

Approximate amount of space needed:

Additional accommodations (electrical hookup, tables, etc.):

Estimated revenue to be gained (rounded dollar amount):

As the designated party, I covenant with the agent(s) of The West Virginia and East Tennessee Council to be responsible for the setup and removal of my organization wares in the assigned vending area. I will not be open to patrons during service time unless by special exemption.

I will be sure to leave the area in at least the same state of organization as it was prior to my occupation. The wares and materials at my vending station will be pre-approved by The West Virginia and East Tennessee Council. The exchange for vending space will be twenty dollars (\$20) or 15% whichever is less. Any and all financial liability will be assumed by my organization.
