Date: April 27, 2022

To All Auxiliary Presidents and Secretaries of the WV & ETN Council,

Grace & Peace!

As the Director of Protocol for the WV and ETN Council, I am writing to inform each of you, as Presidents of the council auxiliaries, of your responsibilities for the upcoming 2022 officer elections. The immediate responsibility for the Auxiliary President is to appoint a 2-3 member committee to comprise the Nomination Committee and the Balloting Committee (can be comprised of the same members). This should have been done during the April Council. I am including in this email the responsibilities for each committee.

The election process is as follows:

- Presidents appoint Nomination Committee (with 1 key contact person- info should be delivered to Sis. Dedra Preston - media);
- Candidate applications to be retrieved on Council webpage;
- Nominees (or persons nominating individuals) must submit online application to contact person (after guidelines are met);
- Names **MUST** be received by June 1, 2022;
- Nominating Committee will review application, inquire for acceptance or rejection, and contact their Pastor for approval;
- After June 1st, Balloting Committee will submit approved candidate's names to council webpage;
- A comprised list will be printed for July voting.

If you have any questions or concerns, please contact me.

God Bless!

District Elder Mark Redd
